

Parking is always a challenge around MIT these days with the massive amounts of new construction.

A good free parking option would be the **Amherst St E51 parking lot**. It is an MIT lot which will not ticket nor tow on weekends

Sunday might be easier to find a spot along Memorial Drive westbound as we arrive an hour earlier. We suggest dropping players and gear off at the pavilion first.

MIT Campus Map can be found here- <https://whereis.mit.edu/>
