

Directions and conditions of Camp Fuller:

Leave the Arrigan Sailing Center and get on [Rt. 1 South](#). Follow Rt. 1 S for 1.5 miles to the first turnaround onto Rt. 1 North, just past the Wakefield exit. Take an immediate right onto Post Rd.

and drive 1 mile, then take a left onto Camp Fuller Rd. Camp Fuller Rd. is a dirt road, please **DO NOT** exceed 15 mph or we will lose our use of the Camp for this regatta.

Upon entering the Camp, proceed past the main building to a small rotunda on the left, turn left.

Proceed down the road to an area between two large trees, this is our parking area.

There is a men's room to the right of the trees if need be. Unload at this point and walk back down the road, across your entry road and down past the playing field on the left. After the playing field there is a men's room on the left next to Senior Hill

Continue down the hill to the Camp Fuller boating building, the entry is on the south side of the building, there are two bathrooms and water inside. We cannot leave anything inside the building, please plan on taking food and extra gear out to Gardiners Island, which is directly in front of the building. Whalers will be available to ferry teams across. Keep in mind this is a nature preserve, absolutely **NO** littering, all trash must be removed or we will lose our privileges at the Camp. Please try to keep the bathrooms neat, the Camp doesn't need to do this for us, it's a courtesy.
