

FRYE STREET INVITE 2021
Bates College | Taylor Pond Yacht Club
09.19.2021

Site Logistics

Address

1 Yacht Club Drive, Auburn, ME 04240

Parking

Drive all the way down Yacht Club Drive and park along the grass on the left. Other cars will be there to guide you.

COVID Policy

Only vaccinated sailors and coaches (or those with medical exemptions) are allowed to attend the Frye Street Invite, per Bates College restrictions. Unvaccinated sailors or coaches with medical exemptions are required to mask while both sailing and on the beach. Vaccinated sailors and coaches are **not required** to wear masks on the beach or while sailing. Social distancing should still be maintained as much as possible.

Coaching

Due to a lack of available motorboats, coaches will not be allowed on the water.

Water

There is **no running water** at the venue, please bring any water you need for the day with you. There is a hose to wash off gear but that water is not potable.

Restrooms/Changing

There is a portapotty on-site that you can use or change in if you need but otherwise there are not very many spaces to change in.

Approaching the Beach for Rotations

Please lift rudders and centerboards when you approach the beach for rotations, we'd like to preserve them as much as possible. Please do not beach the boats, please rotate in knee deep water.
