INFORMATION FOR COACHES AND COMPETITORS

Welcome to the 2021 New England Match Race Championship for the Larry White Trophy. Please read the following information, to supplement the already published Sailing Instructions. This is for your information only and will not take precedence over the previously mentioned official document.

Arrival/Parking

- All passengers travelling to the US Coast Guard Academy should have some form of legal ID to present to the guard at the front gate. They do not always ask for everyone's IDs. But if they do and you don't have it you will likely be turned around.
- The 15 mph speed limit is strictly enforced on campus.
- There is massive construction ongoing at the Academy Waterfront and the parking has been dramatically reduced along Eagle Drive. We are trying to clear out and reserve space near the Jacobs Rock causeway but teams might be forced to park further North or up the Hill. Teams should be prepared for a "commute" to your vehicle.

Jacobs Rock

- With the exception of bathrooms and changing rooms, it is our intent to host this event entirely outside and on the water. We will look to assist in designating spaces for teams and coaches.
- ICSA Medical Guidance for Competition (attached and posted on tech score) will be strictly enforced.
- Masks are always mandatory for entry indoors at Jacobs Rock, no exceptions. Please assist in compliance.
- NO "OUTSIDE PERSONS" WILL BE ALLOWED AT JACOBS ROCK (inside or outside). Please pass that word to family and friends.
- The bathrooms on the second floor of Jacobs Rock will be reserved for coaches and race officials only. Competitors are to use the bathrooms on the bottom floor ONLY.
- Competitors may not change under layers in public places. Use the locker rooms.

Racing

- The Sailing Instructions are posted online.
- Event format is outlined in SI 8 and addendum D.
- Ranking list, boat assignments and pairings will be posted online.
- Racing will take place on the Thames River adjacent to Jacobs Rock.
- Rotations will take place on the water or at the dock.
- Competitors and coaches should plan on being on the water most of the day.

Boats

- Competitors shall pay particular attention to SI Addendum A "Handling of Boats" and SI Addendum B "Equipment List".
- At the end of each day, competitors shall leave the boats in the same state as when first boarded that day.

Coaching

- Coaching will be done on the water in CGA provided RHI's.
- Coach boats will be anchored throughout racing and shall remain in place unless otherwise instructed by the OA.
