

Directions and conditions of Camp Fuller: Leave the Arrigan Sailing Center and get on Rt. 1 South. Follow Rt. 1 S for 1.5 miles to the first turnaround onto Rt. 1 North, just past the Wakefield exit.

Take an immediate right onto Post Rd. and drive 1 mile, then take a left onto Camp Fuller Rd.

Camp Fuller Rd. is a dirt road, please DO NOT exceed 15 mph or we will lose our use of the Camp for this regatta. Upon entering the Camp,

Take a right and follow the road past the playing field.

After the playing field there are bathroom facilities on the left next to Senior Hill

Continue down the hill to the Camp Fuller boating building, the pickup docks face Gardiner's Island. Please plan on taking food and extra gear out to Gardiners Island, which is directly in front of the building. Whalers will be available to ferry teams across. Keep in mind this is a nature preserve, absolutely NO littering, all trash must be removed or we will lose our privileges at the Camp. Please try to keep the bathrooms neat, the Camp doesn't need to do this for us, it's a courtesy.
