

## Savin Hill Invite

### Info For Competitors

There will be no competitors' meeting

There will be a 1030a Coaches' meeting in the parking lot

Questions regarding SIs should be directed in writing (text or email is fine) to NEISA Rep Mike Kalin – 415.361.1287 or Greg Wilkinson – 978.290.1487

Questions regarding Savin Hill YC logistics & regatta logistics should be directed to Greg Wilkinson, 978.290.1487.

Check the rotation on Techscore – the rotation is NOT the same for each division.

There will be a short break in each division. Boats will be directed to sail to shore and tie to the Savin Hill docks. The break is designed for people to use the bathroom and get more food to bring on the water. All boats shall be off the Savin Hill docks NO LATER than five minutes after the last boat arrives at the docks.

Please park reasonably.

The facility locks when you leave. It is OK to hook the blue door to temporarily go to your car, allow door to close when you return.

With the exception of accessing bathrooms, ***there is no need for competitors or coaches to enter the lower level of the Savin Hill YC.*** MASKS ARE REQUIRED.

Female changing area is at the top of the outdoor stairs, to the right, through the white wooden door. Gear can be stored in this area. MASKS ARE REQUIRED

Male changing area is at or in your vehicles, please be discreet and respect the membership and your fellow competitors.

When sailing in/out from break, stay in mooring field with moorings CLOSE TO YOU ON BOTH SIDES or in the channel marked with gov't buoys.

There are two racing areas – one is NE of the JFK Library & UMASS Boston; the other is just N of the entrance to Marina Bay, between the channel running into Marina Bay and the prominent rock to the E. The racing areas are shown on Techscore.
