Notice of Race Instruction 9.5 is deleted and replaced with:

- 9.5 The event format will be a double round robin of all teams. For the Championship only, RRS C11.1 is changed to make the first tie-breaker a sail-off, if conditions permit and after prescribed sailing hours if necessary, of no more than a single race between each tied team (based on their overall win/loss records). Races sailed from an incomplete round robin or series, where the tied teams met, shall be used as sail-off races. The starting schedules can be found on Tech Score.
