

Connecticut College Waterfront Site and Regatta Information

The Connecticut College Waterfront has undergone a tremendous renovation, which has changed many aspects of our site. Please read below:

Parking:

- Only 1 team van/vehicle per team to park at the boathouse/waterfront in the gravel lot.
- All spectators and additional team vehicles are required to park up the hill in the athletic center parking lot. **DO NOT PARK ON THE HILL.**
- There is absolutely no access to the adjacent field to the north of the Sailing Boathouse.

Viewing:

- Viewing is now from the east side of the train tracks. Teams will likely want to set up and be based from this area. If you are bringing a tent, please bring weights not stakes to secure it.
- Two port-o-potties will be on site for the event.

Boats:

- All 36 sailboats are now on a floating dock.
