

NOTICE OF RACE

NEISA Crews Regatta – October 14th, 2023

Massachusetts Maritime Academy's Keith Hartford Sailing Center

43 Trails End Cove Road, Plymouth, MA 02360

Report Time - 1030 Saturday October 14, 2023, No races will start after 4pm.

Driving: Please adhere to all speed limits in the surrounding neighborhood of the sailing center. It is imperative that we keep in good standing with our neighbors for the college to continue to host events. Remember: it's not about how fast you drive, but rather about the time you executed your departure, 'nough said.

Parking: Please **park ONLY in the upper lot** which is a large field at the first gate. Any guest that needs special parking accommodations must contact us ahead of time.

Gear/Dressing – Feel free to use sailing team locker rooms located under the deck of the boathouse.

Racing Rules/Procedures - RRS 2021-2024 & Standard ICSC rules and procedures apply unless stated to the contrary on the official notice board or verbally noted at skipper's meeting (also added to the official notice board).

Boathouse – The Keith Hartford Sailing building on shore will be used by Maritime sailors and MMA coaches. Coaches, parents & guests can feel free to set up on the deck off the classroom, but please keep wet gear out of the classroom, thank you.

Water – There will be jugs of potable water out for refillable water bottles. The water in the boathouse is questionable.

Heads – *****ALL GUESTS & SAILORS MUST USE PORTA-POTTIES (septic system failing, apologies)**

Launching – FJs are stored on floats in front of the sailing center. Please return FJs to numerical order at the end of the day. When pulling FJs onto the dock **PULL OUT RUDDERS FIRST!**, & use tie-downs through the shroud back to cleat.

Rotations – We will **NOT be rotating** boats for this novice regatta in order to prevent any pile ups / damage at the docks.

Lunch - We **WILL** be taking a brief lunch break as we are **NOT** rotating boats.
