

## 2023 MAISA Women's Fall Dinghy Championship

United States Merchant Marine Academy

28-29 October 2023

### Competing Team Information

#### Entering/Exiting Basin

1. As you will notice, the building near Hauge Basin entrance has been demolished. Please STAY AWAY floating orange marks at mouth of basin. When entering basin leave marks to starboard. Stay close to Kings Pointer Ship.

#### Coaching

1. Intention is to have coaches and athletes on shore, with on shore rotations.
2. Teams will be able to set up on 2<sup>nd</sup> Deck Yocum Sailing Center, Mallory Pier, or Eldridge Lawn.
3. Team Vans will be allowed to go on Mallory Pier, up to elevated ramp where pier narrows, and along outer wall. Protocol states there needs need to keep enough room for Medical Services (Ambulance) to get to ship. **THERE WILL PROBABLY NOT BE ENOUGH ROOM FOR 18 VANS. FIRST COME FIRST SERVE. ONCE VAN IS PARKED ON PEIR, IT WILL NOT BE ABLE TO COME AND GO FROM THIS AREA UNTIL AFTER RACING, AS THERE WILL BE TO MUCH FOOT TRAFFIC. BE AWARE THAT IF YOU ARE PARKED ON PIER, YOU MAY NEED TO WAIT FOR OTHERS TO CLEAR OUT BEHIND YOU BEFORE YOU CAN EXIT.**
4. TV Kings Point Bridge Should be available for coaching (Confirm SAT morning)

#### Course

1. It is our intention for FJ/420 to sail W3/4/5.

#### PRO

1. PRO will be Rick Dominique
