

Submitted Questions:

Questions regarding SI. I am looking for clarification on hiking and what lines can be used to hike off of.

Question #1: Can sailors use lazy sheets and control lines for the purpose of hiking? If Yes, ignore other questions.

Question #2: What lines can be used to hike off of? If yes or no answers are needed, continue to next questions.

Question #3: Can sailors use traveler control line to hike off of for straight line or maneuvers?

Question #4: Can sailors use Vang control line to hike off of for straight line or maneuvers?

Question #5: Can Sailors use Twings to hike off of for straight line or maneuvers?

Question #6: Can Sailors use halyards to hike off of for straight line or maneuvers?

Answer: We will add the follow Amendment to the SIs.

Prohibited items:

Hiking off sheets other than working sheets. Halyards and control lines are not working sheets. For the avoidance of doubt, the traveler is a working sheet. Spinnaker twing lines are not working sheets.
