Report Time: 0900

Competitor's Meeting: 0915

Boats: 18 C420s

Format: Goal is to have as many races as possible, minimum 3 races in each division to constitute a regatta.

Rotations: Boats will be rotated after 3 races. Rotation location will be decided at the Competitors Meeting.

Lunch: Please bring your own lunches and refillable water bottles. We will have a cooler on land to refill them.

DAMAGE DEPOSIT: Within the addition of our new fleet of C420's, the Carolina Yacht Club is requiring a **\$200** Damage Deposit PER BERTH being sailed. That means teams sailing multiple berths will be required to pay multiple deposits. This deposit can be paid via cash or check and should be turned in with your waiver mentioned below. Our recommendation is that you do this with a check.

Please Note: Attached are waivers that need to be filled out by EACH sailor who will be sailing in the North Fall Tournament. You may put all your sailors and have them all sign the same waiver if that is easier. All sailors' names and signatures must be on the waiver. They are required by the Carolina Yacht Club for you and your team to participate in the regatta.

Contact: Please contact Nevin Williams(nbw1271@uncw.edu) with any questions.
