

Good Afternoon and welcome to the '25-'26 ICSA Match Race National Championships! The St. Petersburg Yacht Club is looking forward to a great event. Below is some important logistical information that we ask you to please read thoroughly.

Sailing Center

Address: 250 2nd Ave SE, St. Petersburg FL, 33701. Check in and weigh in will be held here from 3 pm- 5 pm on Friday as well as 7:30 am to 8:30 am on Saturday. Boats will be docked and leave from here each race day.

Parking

We do have the St. Petersburg Run Fest this weekend, which will limit vehicle access to Demen's Landing, so parking in the places listed below and/or walking from your hotel will be the easiest way to access the Sailing Center. From what we have been told- vehicular access will remain open on and off Demens Landing via 1st Ave South, just with big delays as they must wait for a break in runners to let cars through. Please allow for extra time in the mornings as many roads throughout downtown St. Pete will be blocked off and have many crowds of people.

Sundial Garage: 117 2nd St N, St. Petersburg, FL 33701

This garage will be the easiest to access all day both Saturday and Sunday. It is \$3 per hour with a max of \$21. Please note- this garage will be more easily accessible if approached from the north. If coming from the south please expect some delays.

South Core Parking Garage: 101 1st Avenue South, St. Petersburg, FL 33701. \$2/hr or \$16/day max. Will be accessible via a slip lane on 1st Ave South. Expect delays.
