

2021 SEISA Championship Regatta

April 24th and 25th 2021

Austin Yacht Club | Lake Travis

COVID-19 RESTRICTIONS

To all competitors:

We thank you in advance for working with us in these trying times. Please understand that we are privileged to race at Austin Yacht Club, and that Austin Yacht Club is subject to the rules and restrictions of Travis County.

These restrictions shall apply to all team members, parents, coaches, and affiliates for the duration of the regatta. Repeat violators will be asked to leave the venue.

Masks, properly worn, are required at all times (when not eating or drinking) on the grounds or docks of Austin Yacht Club.

Please practice social distancing at all times between individuals that are not part of your group.

Indoor facility use shall comply with social distancing and shall be limited to necessary equipment access, bathroom facilities, and safety operations only. Only one team at a time is permitted in the restrooms; please check for other teams before entering and be mindful of time.

Access to the RoadRunner dock and pavilion is restricted to sailors and coaches ONLY. We ask that during races sailors return to shore with their team and watch the racing from the point.

Thank you for your cooperation and let's have a great weekend!
