INFORMATION FOR COACHES AND COMPETITORS

Welcome to the 2022 Southern New England Team Race. Please read the following information, to supplement the already published Sailing Instructions. This is for your information only and will not take precedence over the previously mentioned official document.

Arrival/Parking

- All passengers travelling to the US Coast Guard Academy should have some form of legal ID to present to the guard at the front gate. They do not always ask for everyone's IDs. But if they do and you don't have it you will likely be turned around.
- The 15 mph speed limit is strictly enforced on campus.
- There is massive construction ongoing at the Academy Waterfront and the parking has been dramatically reduced along Eagle Drive. We are trying to clear out and reserve space near the Jacobs Rock causeway but teams might be forced to park further North or up the Hill. Teams should be prepared for a "commute" to your vehicle.

Jacobs Rock

- With the exception of bathrooms and changing rooms, it is our intent to host this event entirely outside and on the water. We will look to assist in designating spaces for teams and coaches.
- ICSA Medical Guidance for Competition (attached and posted on tech score) will be strictly enforced.
- Masks are always mandatory for entry indoors at Jacobs Rock, no exceptions. Please assist in compliance.
- NO "OUTSIDE PERSONS" WILL BE ALLOWED INSIDE JACOBS ROCK. Spectators maybe on causeway and top Deck. Please pass that word to family and friends.
- The bathrooms on the second floor of Jacobs Rock will be reserved for coaches and race officials only. Competitors are to use the bathrooms on the bottom floor ONLY.
- Competitors may not change under layers in public places. Use the locker rooms.

Racing

- The Sailing Instructions are posted online.
- Rotations will normally take place on shore. In the case that a rotation takes place on the water, competitors will be given additional time to talk to their coach.
- We will utilize the Southern Dock for Rotations.

Boats

- Dinghy Competitors are asked to take good care of our fleet:
 - Tie your sail bags down before beginning to rig.
 - Always land on the leeward side of the dock. If there isn't enough room, wait.
 - Do not step on the foredeck or jump into your boat.
 - Do not put your rudder on while the boat is on the dock.
 - Tie your boat to the cradle whenever it is on the dock.
 - Do not put either sail up until you are ready to go sailing.
 - Do not sail within 20 yards of Jacobs Rock.
- J70 Competitors
 - Jib socks, mainsail covers, fenders and dock lines will stay with boats, stored below.
 - All bots will be properly de-rigged and stored at the end of racing each day.

Coaching

- Coaches will be on land.
