10. Start

10.1 The starting sequence shall be as described in Appendix U of *RRS*, with the warning given 1 minute before the start. Sounds may be whistles and/or horns.

- 10.2 The starting line will be set up as shown in Appendix A. The starting line will be between an orange flag on the Race Committee Signal Boat at the starboard end of the line and by a mark at the port end of the line.
- 10.3 If any part of a boat's hull, crew, or equipment is on the course side of the starting line at the time of the start, the Race Committee will raise the individual recall flag and will attempt to verbally hail the sail number of the boat. Failure to hear the Committee's attempts to hail will not be grounds for a request for redress
- 10.4 After the first general recall of a race, *RRS* 30.1 will be in effect.

11. Time Limits

- 11.1 There will be no time limits for this event. However, the Race Committee may choose to finish boats on the course if their position in the race has been established, in order to expedite the next start or rotation. Boats that continue to race after such a hail may miss the next start.

12. Protests and Requests for Redress

- 12.1 Protests and requests for redress must be filed within 30 minutes of the last boat reaching the rotation area for each rotation. Protest forms will be available at the registration table on the beach.
- 12.2 If time permits, protests may be heard during rotational breaks.

13. Rotations

- 13.1 The rotation schedule will be posted online at scores.collegesailing.org. There will also be copies of the rotations at the registration table on the beach.
- 13.2 The Race Committee may keep a division on the water for a third race in a row in the same boat and choose not to rotate if deemed necessary due to weather or other credible reasons.

14. Scoring

- 14.1 Scoring shall be completed in accordance with ICSA procedural rules.

15. Safety & Retirement

- 15.1 Coast Guard Approved PFDs must be worn at all times on the water. Proper gear must be worn for harsh weather conditions. Unprepared teams may be sent back to dock at the discretion of the Race Committee. There will be no redress given for such an action.
- 15.2 A boat that retires from a race shall notify the Race Committee as soon as possible. This can be done ashore at the registration table if necessary.

16. Disclaimer of Liability

- 16.1 Sailing is an inherently dangerous sport. Competitors participate in this regatta entirely at their own risk. See *RRS* 4, Decision to Race. The organizing authority will not accept any liability for any material damage nor personal injury nor death sustained in conjunction with, or prior to, during, or after the regatta.
