

Reminders for Visiting Sailing Teams

- Drop off sailors at River Center & Park at Campus Center or Historic St. Mary's City lots
- Stow gear neatly
- Use the water fountains to refill bottles and reduce waste
- Awesome Room and Second floor of River Center is for dry people
- Stow gear downstairs only

Rigging on docks

- Launch boats before standing in them
- Step into cockpit, not across foredeck
- Raise sails only when ready to leave the dock
- Tie sail bag to cradle

Derigging on docks

- CB's UP pulled tight and cleated BEFORE pulling onto dock
- Rudders out (blade on cockpit floor facing forwards) BEFORE pulling up on dock
- Remove tension from any shock cords
- Tie both shroud bases to cradle
- Halyards tight
- Plugs out
