

Information for Spectators and Teams

Spectator Parking and Viewing Areas

- We ask that spectators do not park or populate the boathouse area, especially during the times at which competitors and coaches are readying themselves for the day.
- Instead, we ask spectators to park and watch the racing from the Portside Business Park.

Field of Play Area – Coaches, Competitors, Officials, Administrators Only

- All docks, parking lot and indoor boathouse areas are meant for competitors, race officials, admins and coaches only.
 - Please do not enter the rowing bays. Doors will be closed so it will be hard to accidentally end up in those bays.

Bathrooms

- Bathrooms are located on the second floor of the Stanford Rowing and Sailing Center.
- As for the Portside Business Park, public and portable restrooms are present in that space for spectators.
