

Amendment #1 to the Sailing Instructions:

McIntyre Saturday and Sunday Road closures:

Due to a triathlon, the roads taking you from the highway to the sailing center will be restricted to one lane and may be closed for minutes at a time. The report time Saturday is 1100, so try to leave a little bit early in case they close the road for 15 minutes.

The report time Sunday will be 1000. This is a change from the sailing instructions.
