

## 2025 Boston Dinghy Challenge Cup

*Hosted by the Massachusetts Institute of Technology*

April 19, 2025

### AMENDMENTS

**1. SI 7.2 is amended to read:**

Techscore rotation doesn't show the sail numbers for 420's sail # 11-20 correct. For the purpose of the online rotation, the division assigned to the 420 fleet with sail # 11-20 will actually use sail numbers as listed below:

- Sail #1 on the online rotation will equal sail #11
- Sail #2 on the online rotation will equal sail #12
- Sail #3 on the online rotation will equal sail #13
- Sail #4 on the online rotation will equal sail #14
- Sail #5 on the online rotation will equal sail #15
- Sail #6 on the online rotation will equal sail #16
- Sail #7 on the online rotation will equal sail #17
- Sail #8 on the online rotation will equal sail #18
- Sail #9 on the online rotation will equal sail #19
- Sail #10 on the online rotation will equal sail #20

**2. SI 7.3 is amended to read:**

Divisions will sail all 9 races in one fleet of boats. Sailors will rotate to a new sail number after 3 races but will remain in their originally assigned fleet. Fleet assignments are as follows:

B division will sail in 420's 1-10

C division will sail 420's 11-20 with sail numbers modified in amendment #1 to match the online rotation.

A division will sail in FJ's 1-10

**3. Each fleet will get a short break of about 25 minutes to have a little food and use the restrooms. We will pull the boats out of the water and take both sails down during the break.**

**Please remove your rudder and secure the boat in the cradle**

**Please secure your sails so they do not blow out of the boat.**
