

## REGISTRATION

Registration desk and pre-ordered apparel distribution will be at tables adjacent to the launch area.

## TENT AREA

Pop-up and EZ-up tents, chairs, etc. can be set up anywhere on South Beach, the southernmost portion of the property next to the Beach Volleyball area, provided the staging / launching of the boats is not impeded.

## WATER and SPORTS DRINKS

Multiple water refill stations will be located at the Registration area and next to the Tiki Hut. Sports drinks for the athletes may be kept in coolers on South Beach (boat storage area). Sports drinks are defined as Gatorade, Powerade, etc. They do not include coffee and similar beverages that are sold at the venue.

## FOOD

Food purchased from outside vendors cannot be consumed in the open public areas of the property, defined as areas outside rented rooms, including the South Beach tent area. Outside food CAN be stored and eaten in rooms or in vehicles in the parking lot. A portion of the ballroom will be available for limited hours each day to consume outside food, but the room will be emptied each afternoon. Shoes required. Please assist staff in keeping this area neat, i.e. properly dispose of garbage.

At rotations or during periods between races, team members may bring food to the sailors on the water using non-descript bags that carry food such as power bars, etc. The food must be consumed on the boats and not on the beach.

Food is available from the venue in three different locations having varied menus. Spectators will abide by the same rules as the teams.

## RESTROOMS

An air-conditioned trailer with three restrooms is located in the southeast corner of the parking lot, close to the tent area.

## POSTPONEMENTS

In the event of postponements after boats have been launched, it is the intention to tie the boats to numerous posts just off the seawall - weather, tides, and wind permitting.

## PARKING

Each room is issued one parking pass. For those without rooms, the options are “pay by card” in the resort lot, the overflow lot, or the grassy strip along the west side of Sunshine Skyway Lane (park at your own risk as this is a city right-of-way).

## RESPECT

College Sailing is a guest of SkyBeach Resort; please abide by all regulations, respect the property, and remind family and spectators of these regulations as well. Thank you!
